SUMMARY

Passionate about User Experience (UX) and Inclusive Design, I bring 2.5 years of development experience, including designing and implementing responsive, user-friendly web interfaces that serves to diverse audiences.

WORK EXPERIENCE

Softograph Ltd.
Frontend Developer

Aug-2023 – Aug-2024

My work responsibilities are as follows:
- Collaborated with product and project managers to gather requirements, creating responsive and user-friendly interfaces.
- Delivered high-quality front-end solutions within strict deadlines, ensuring seamless integration with backend systems.
- Assisted senior developers in coding, debugging, and optimizing web applications for performance and responsiveness.
- Stayed current with industry trends, bringing innovative ideas to the team and participating in design critiques.
- Maintained open communication with cross-functional teams, troubleshooting UI/UX issues during development phases.
- Contributed to various project aspects, from initial design to development and testing, showcasing adaptability and versatility.
- Enhanced website performance through speed optimization and conducted Lighthouse tests to improve page load times, accessibility, and overall user experience.
- Enhanced UI/UX design, and implemented SEO strategies to improve performance and user engagement.

CODETREEBD
Frontend Developer
Oct-2021 - Feb-2023

My work responsibilities are as follows:
